Representation

The Orland Chamber of Commerce is a voluntary organization of the business community, uniting the efforts of business and professional individuals to improve the economy and build a better community.

The Orland Chamber serves as the business voice of Orland.

As a member of the California Chamber of Commerce, the Orland Chamber has direct access to the products and services offered by Cal Chamber.

The Chamber's strength lies in its' membership, enabling them to accomplish collectively what no one could do individually. The policies and programs of the Chamber are determined by its Board of Directors, elected by the membership.

Since the OACC is a voluntary organization, chamber costs of operation and expenses are apportioned amount its members through the dues collected.

To business prospects, newcomers and visitors, the Chamber represents the community's "front door". We sponsor community events, publish a newsletter and maintain a community events calendar, and provide maps of the area for members and visitors.

The Orland Chamber of Commerce is governed by a Board of Directors. A general membership meeting is held on the first Wednesday of each month at noon. Everyone is encouraged to attend to hear the guest speakers update local business people on new regulations, laws and items of interest to the local business community.
